Payment Policy

Thank you for choosing our office as your dental health care provider. We are committed to the success of your dental treatment and want to provide you with the best service available. To help reduce our administrative costs and keep our fees to you as low as possible, we require payment to be made at the time that you receive treatment. Please indicate below the method of payment you intend to use.

My preferred payment option is:

_____Cash
_____Check
_____Major credit card (Visa or MasterCard)
_____***

A note for patients with dental insurance

Dental insurance does not always cover the total cost of your treatment. Based on your specific plan we can usually estimate the insurance coverage and the amount of your co-payment. We do expect that the co-payment is made at the time of service. If your insurance company fails to pay within 60 days after the claim is submitted, you will be responsible for the full fee.

For treatment amounts over $300, please inquire about the possibility of an extended payment plan.

Acceptance agreement

I understand and agree with the above financial policy. I understand the parent or relative bringing a child for dental treatment is responsible for the fees incurred at that visit. I further understand that I am responsible for ALL fees, regardless of insurance coverage.
